REASONS FOR ALLOWANCE

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: the claims have been allowed primarily for the first and second movable gears being capable of engaging *directly* with the first and second driven gears respectively. Yamada et al. (US 5,523,858) and Kawamura (JP 06-178042) each disclose image processing devices with first and second movable gears and first and second driven gears, but the movable gears do not engage directly with their respective driven gears.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
